ABOUT US

Its inception in 2010 with a humble beginning, Gooil Sdn Bhd has grown as the First & Fastest Growth Company in the country & the most comprehensive commercial fuel providers in the industry. Serving customers from various industries we equipped ourselves with:

- 🔥 3 million liters of advance storage tank capacity
- 🔥 100 well trained personnel
- 🔥 30 units of high performance road tankers ranging from 1000 liters to 43,680 liters
- 🔥 3 vessels with more than 1.5 millions liters in capacity
- 🔥 Petronas, Shell, BHPetrol, Petron & Caltex as commercial fuel partners

With the grateful supports from our valued customers and a dedicate team we have to date achieved milestones:

- 🔥 RM10 millions of Group paid up capital
- 🔥 300 million liters of fuel from Industrial & Commercial Automotive sector (2010-2016)
- 🔥 65 millions of liters of Fuel from Bunkering sector (2013-2016)
- 🔥 2 million litres of lubricants from both Industrial, Commercial Automotive, and Marine sectors (2013-2016)
- 🔥 Own brand of lubricants partnering with the largest plants in the Country
- 🔥 State of the art in house laboratory for all fuel analysis

Continuously we strive to further enhance our lines of services to serve you comprehensively so as to attend to your total petroleum requirements with a single entity.

FOR MARINE SECTOR,

our own vessels together with international alliances from Singapore, Hong Kong and China are ever ready to reach you globally.

FOR LAND SECTOR,

our experienced drivers can navigate through even the most remote locations to deliver your required fuels, even if it is on emergency basis within 2 days to anywhere in Malaysia. If fuels move your world, then allow us to deliver the fuels to you.
